ABOUT US:

We are a registered professional work wear company with the registration number of 437067. through the years our company aims at exceeding the expectations of all our clients by providing satisfactory services in the most cost effective ways and appropriate time as we are made up of excellent producers and skilled designers.

MISSION:

To provide professionals with trustworthy, quality and desirable work wears.

To ensure a maximum supply of professional work wear, and create awareness of the importance of on site safety.

VISION:

To be a leading brand of uniforms and professional gears in the nation, continent and internationally by 2025

AIMS:

We are mainly focused at customers' satisfaction in all aspects: that is production of high quality and standards products, time consciously and at affordable costs

DESIGN DEPARTMENT:

Our design department is well organized and ensured by three main components:

- High quality of raw materials
- Proper implementation of designs
- Assurance that clothes are manufactured to meet professional needs.

RAW MATERIALS:

All gears are made from fabrics of high quality such as *istem* and *khimji* materials for uniforms. High standard plastics for water resistant aprons and theater gowns and pure cotton materials for hospital bed sheets.

PRODUCTION PROCESS:

Is made up of three sections:

- The design and cutting department
- The sewing department
- The control and packaging department

All departments has a set of skilled and well experienced personnel for each tasks

OUR SERVICES:

We offer our services to different institutes, organizations and corporates by providing them with specific garments according to needs. We also offer individual clients with services based on their specific garments design needs.

We render advanced, quality and standard customer services to all our clients.

WHAT WE OFFER TO CLIENTS.

Our company produces all professional gears:

- **In hospitals** we produce scrubs for doctors and nurses, nurses' dresses, laboratory coats, theater gowns, theater aprons, hospital bed sheets and curtains.
- **In engineering** fields we produce plain overalls and overalls with reflectors also overcoats for engineers.
- **In the cookery** field we produce chef's uniforms, aprons, table clothes and napkins.

We also design and produce customized uniforms according to the needs of the clients such as embroidered uniforms, printed uniforms and uniforms of a specific design with respect to clients' requirements.

OUR WORKS.

Considering charms as a new company in Tanzania the following are among our works done so far:

- Curtains made for Amana hospital.
- Aprons made for Amana hospital

More than 50 pairs of scrubs for some doctors individual orders.
