Welcome to Spotlight

At Spotlight we strive to make each occasion special and different according to your individual taste and style. It's our belief that the most important aspect of planning and design for any event is understanding the personal and unique nature of each of you, which is why we always take the time to get to know our clients and understand your requirements.

We are dedicated to the success of your event, whether you simply require a few floral arrangements or want to take advantage of our comprehensive event planning services. The key to our versatility is understanding that the success of your event is dependent upon getting even the smallest details right. To us, details are everything.

How We Work

We begin by offering you a complimentary, no obligation consultation, where we build a picture of your event by discussing your ideas and dreams with you. Based on your specific requirements, we will make recommendations that are best suited to your taste and budget.

We work closely with you in regard to every aspect of the design, coordination and budgeting of your event. Our experienced planners will personally oversee everything from start to finish, to ensure that the end result is everything you had dreamed of, and more.

Wedding Dresses and Accessories

Whatever style you're looking for, we've got the gowns and accessories to ensure you look stunning on your big day. Our wedding dress collection features a wide array of beautiful fabrics accented with distinct embellishments, making each wedding gown unique. We also stock wedding dresses that are available for hire.

Spotlight are the largest distributors of dresses and accessories within East Africa.

Equipment Hire

We stock a range of bespoke event and wedding decor equipment designed to surprise and delight your guests. No detail is too small to demand our utmost attention and consideration; it is these details that go towards creating the overall effect and ambience that will make your event live long in the memory.

Wedding Planning and Management Services

Our professional planners will take care of every single aspect of your wedding; from finding the venue and sourcing suppliers, to creating the the concept and ensuring every last detail is in place on the day. You can rest assured that we'll do everything in our power to make sure that your big day goes exactly as planned, leaving you to enjoy the excitement of the occasion.

Wedding Day Coordination and Management

On your special day, one of our Wedding Planners will be on hand to take care of everything for you, leaving you free to enjoy every single moment. This service is perfect for couples who want to organise their own wedding, but require the services of a professional wedding planner on the day to ensure that everything comes together seamlessly. We'll literally take care of everything; from setting up your wedding venue, liaising with your chosen suppliers and confirming deliveries and timings.

Destination Weddings

Destination weddings are more popular than ever, with an endless choice of beautiful wedding locations, warm sunshine and a desire to have a truly unique day.

From the white sands and turquoise waters of Zanzibar to the open plains and spectacular wildlife of the Serengeti, there are endless choices of wonderful wedding locations that are as limitless as your imagination. All you have to do is pick your perfect location and we can take care of the rest.

Our destination service also includes destination honeymoons that will extend your perfect experience.

Consulting

If you're seeking general advice for your wedding or event, but you don't require a full wedding planner or event management service then our Event Consulting service could be just what you need. We're happy to provide ideas, concepts and expert advice on a per hour basis.
