PROFILE

I am a young Tanzanian; Self motivated and Hardworking, Dynamic with a strong interest for learning new things and leading change. I have excellent problem solving skills, time management and multi-tasking skills and am determined to succeed and excel. My main quality is that I want to lead change, stand out of the crowd and be remembered for the millions of lives I had changed over the course of my life.

EDUCATIONAL BACKGROUND

2001-2007: Certificate of Primary Education (CPEE) at Al-Muntazir Junior School and Al-Muntazir Boys Primary School

2008-2011: Certificate of Secondary Education Examination (CSEE- Ordinary level Education) at Shaaban Robert Secondary School

2012-2014: Advanced Certificate of Secondary Education Examination (ACSEE- Advanced level Education) at Shaaban Robert Secondary School

2014-Present: Studying Doctor of Medicine (MD) course at Hubert Kairuki Memorial University.

ACHIEVEMENTS

Oct 2015-Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Creating & Maintaining Social Enterprises' earning a Certificate.

This course examined the key aspects in developing Non-Governmental Organizations (NGOs) including the importance of partnerships with the private sector and government, how to determine if a social enterprise identifies and meets the needs of the community, and how to effectively advocate for youth.

Oct 2015-Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Community Organizing for Action' earning a Certificate.

Grassroots campaigns and volunteers are essential to the success of most non-governmental organizations involved in community development. In this course, I learnt how to inspire and engage volunteers to be proactive in their communities and organize grassroots campaigns.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Management Strategies for People and Resources' earning a Certificate.

This course outlined the essential skills required in leading individuals and organizations, whether it's solving problems, creating the optimal team, or maneuvering through difficult situations in management.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Strategies for Personal Growth and Development' earning a Certificate.

This course taught the different ways you can develop your business, organization and personal skills.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Workforce Collaboration and Development' earning a Certificate.

This course referred to the best practices in developing a collaborative work environment, including identifying key priorities, developing staff competencies and ensuring a diverse and effective workforce.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Fundamentals of Starting and Running a Business' earning a Certificate.

This course explained critical aspects of entrepreneurship, from the process of developing a business, to how to identify and expand in the marketplace, and how to pitch to new investors.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Fundamentals of Business Expansion' earning a Certificate.

Growth is one of the biggest challenges for most businesses. This course taught how to raise capital and realize growth by using your business model to assess new markets and potential dates for expansion.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Basics of Public-Private Partnerships' earning a Certificate.

Public-private partnerships are often the most effective and efficient means to resolving major societal challenges that are too big for one group or

entity alone. This course showed how to initiate, implement, and evaluate a public-private partnership.

Nov 2015- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Strengthening Public Sector Service' earning a Certificate.

This course discussed ways to uphold transparency and objectivity while being adept at communicating with the public.

Nov 2015- Participated in the Tanzania Tigo Digital Changemakers Competition where my project was considered to be in the top 20% of all applications.

The competition aimed to identify and support ideas on how to harness digital technologies to improve the world for children.

Jan 2016- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Understanding Climate Change' earning a Certificate.

The focus of this course was on the science of how climate change occurs, the impact on the environment and human development, and practical and innovative solutions to address the causes of climate change while meeting the needs of the world.

Mar 2016- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Understanding Elections and Civic Responsibility' earning a Certificate.

This course educated and informed on the role of citizens in the electoral process, and provided guidance on how to exercise civic responsibility and hold candidates and officials accountable – before, during, and after elections. The lessons included voting process, grassroots organizing for campaigns, and practical skill development for capacity building and advocacy.

Apr 2016- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled ‘Understanding the Rights of Women and Girls’ earning a Certificate.

This course addressed the marginalization and unique challenges facing women and girls – from gender discrimination and inequality in education to a lack of opportunity in business to assaults on their safety and dignity from gender-based violence.

May 2016- I was recognized as a Young Social Entrepreneur by the WeMotion Network. (<http://www.wemotionnetwork.com/author/ali-khatau/>)

August 2016 - Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled ‘Servant Leadership’ earning a Certificate.

This course described servant leadership, its origins and principles, its benefits and criticisms and how to become a servant leader.

August 2016 - Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled ‘Going Green for Business Entrepreneurs’ earning a Certificate.

This course described the small steps anyone can take to tackle climate change as well as big opportunities for green business entrepreneurship.

August 2016 - Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled ‘Design Driven Entrepreneurship’ earning a Certificate.

This course explains Design Driven Entrepreneurship, origins of human-centered design theory, the processes and tools needed to design and maintain a human-centered business, and best practices for developing and testing products.

August 2016- I was featured on various leading local newspapers including Nipashe and The Citizen “Success” section for my work with ElimuTanzania.com (<http://m.ippmedia.com/sw/makala/ali-khatau-aanzisha-tovuti-bure-kwa-wanafunzi-wa-sekondari>)

September 2016- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Going Green for Social Entrepreneurs' earning a Certificate.

September 2016- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Organizing Grassroots Advocacy Campaigns' earning a Certificate.

September 2016- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Engaging with Public Officials for Positive Change' earning a Certificate.

Feb 2017- Awarded the Distinction of 'Associate Fellow' of the Royal Commonwealth Society for commitment to promoting the values of the Commonwealth & working to improve the lives and prospects of commonwealth citizens.

March 2017- Completed the Massive Open Online Course (MOOC) hosted by Young African Leaders Initiative (YALI) titled 'Understanding Renewable Energy' earning a Certificate.

April 2017- Completed the Money Skills & Entrepreneurial Skills modules of the Barclays ReadyToWork Programme earning certificates.

July 2017- Nominated for the 'YouthCan' Campaign organized by the Africa Federation. This was a program aimed at showcasing highly accomplished youth in the Shia Muslim Community in order to eliminate the common misconception that youth can't do certain tasks as they are inexperienced and prove that youth are capable.

Oct 2017- Completed the Work Skills & People Skills modules of the Barclays ReadyToWork Programme earning certificates.

Oct 2017- Completed certified online courses on the topics ‘ Growth Strategies for Business’ , ‘Back care & Manual handling’ & ‘Understanding the Ebola Virus’ on Alison.com.

Jan 2018- Completed 10 different certified online courses on health-related topics on medscape.com

WORK EXPERIENCE

Nov 2016-Present: As an entrepreneur, I sell medical equipment to fellow medical students and doctors at my university.

October 2017- Worked at the pharmacy and laboratory of a local hospital where I was responsible for dispensing medications and carrying out lab tests.

Oct-Nov 2016- Worked for a month at Mohammed Enterprises Tanzania Limited (MeTL) where my project(ElimuTanzania) was sponsored by MeTL & I was given resources like desk space & a laptop to work on my platform. <http://elimutanzania.com/about-us/our-team/>

March 2016-Present: Founded and currently serve as the Chief Executive Officer (C.E.O) of ElimuTanzania.

ElimuTanzania (www.ElimuTanzania.com) is a for-profit social enterprise based in Dar-es-Salaam, Tanzania aimed at increasing examination pass rates for secondary school students in Tanzania by providing them with resources and features that aid them during studies. We also aim to promoting computer literacy among secondary school students. The enterprise is supported by Mohammed Enterprises Tanzania Limited(MeTL).

CONFERENCES, SEMINARS & VOLUNTEERING

April 2018- Attended the TAMSA (Tanzania Medical Students Association) Leadership Summit at Muhimbili University where participants were trained in leadership and organizational management.

Mar 2018- Volunteered at a Blood donation camp in Tanga Region organized by Lions Club and G1 security group and was responsible for checking blood pressures of donors.

Mar 2018- Attended the Multidisciplinary CME on Advanced Knee Osteoarthritis and Knee Replacement Surgery organized by Aga Khan Hospital at the Aga Khan University.

Mar 2018- Volunteered as a health professional at a recent Autism Walk organized by Al-Muntazir schools to attend to any cases of fainting or other medical emergencies during the walk.

Jan 2018- Attended the Professional and Leadership Skills Development Forum organized by Rotary club.

Jan 2018- Volunteered at a Diabetes screening camp organized by Lions club Africana and the Iranian Red Crescent society where I screened around 200 locals for diabetes.

Nov 2017- Interviewed by an international tech-social platform that showcases technological projects that have had significant social impact. <https://techsgood.org/ali-khatau-online-education-will-become-the-norm-15553dab0273?source=rss-----1>

Nov 2017- Volunteered at the Kerege Medical camp organized by Rotary club in Bagamoyo where I measured glucose levels of around 200-300 locals to check for diabetes.

Oct 2017- Volunteered for a community eye camp event organized by the Khoja Shia Ithnasheri Jamaat (KSIJ) and Mahdi Health Initiative (MHI) where I measured the blood pressures and glucose levels of around 400 citizens.

Sept 2017- Volunteered in a tree planting and environmental awareness initiative at Mikocheni Primary School with the Rotaract Club of Kairuki.

June 2017: Volunteered for a community health screening event where we screened around 200 community members in 2 days for various common conditions like heart disease and hypertension.

Feb 2017-Present: Volunteered to write health-related articles for leading websites & local newspapers including The Citizen. I have written various articles on different health issues including:

- **Sleep Deprivation**-<http://www.thecitizen.co.tz/magazine/Are-you-getting-enough-sleep-/1840564-4048654-kqwmpmz/index.html>

- **Top child killers**-<http://www.thecitizen.co.tz/magazine/five-major-causes-of-child-death-in-TZ/1840564-4223124-lhvemu/index.html>

Nov 2016- Attended the 3rd Annual Tanzania Health Summit (THS) 2016 as a Delegate at the Julius Nyerere International Convention Center (JNICC).

Sept 2016- Attended the African Youth Leadership Transformation Summit (AYLTS) held at Kisenga LAPF International Conference Centre.

This was an annual summit set to bring together youth leaders from different sectors with key players in the private sector, business enterprise and civic leadership with the aim to discuss and innovate solutions to some of Africa's most pressing issues. I applied for the opportunity to attend this summit and was selected from hundreds of other applicants.

August 2016- Volunteered and led a community book donation initiative under my organization (ElimuTanaznia) where I managed to collect 327 books worth almost 2.5 million shillings and donated them to an NGO with 4 educational institutions having 1400 beneficiaries.

July-Dec 2016: Volunteering at a local environmental and climate change awareness initiative called Kijani.

(kijaniniyetu.wixsite.com/kijanitz). I served the position of 'Communications and Marketing Executive'.

Kijani aims to raise awareness about the economic, political and social impact on Tanzania and encourage youth involvement in this issue. I was responsible for making people aware of Kijani through different media including social Media and my website

July-Nov 2016: Volunteered as an Ambassador for the Africa Land Tour (ALT)

ALT aims to increase tourism in Africa by encouraging tourists to travel to Africa instead of other places like Europe and America. I was responsible for making people aware of the African Land Tour through different media including social Media and my website.

July 2016-. Attended an event organized by the YALI Regional Leadership Centre titled "Transformation Talks".

This a series of monthly talks on various important issues the first session being on Entrepreneurship. It was held at the British Council in Tanzania and was supported by USAID and The MasterCard foundation

June 2016- Participated in a conference organized by the American chamber of Commerce in Tanzania and Bank M titled ‘Daraja la Mafanikio: Bridge to Success’ at the Julius Nyerere International Convention Centre.

This event focused on entrepreneurship and featured a panel of inspiring young Tanzanians who are building businesses as well as presentations from expert business leaders

Aug 2014-Attended a conference organized by the Cambridge Development Initiative& University of Cambridge titled “Dare to change Dar”.

This was a Social Entrepreneurship Conference focusing on social enterprises in Dar-es-Salaam addressing issues concerning availability of clean & affordable water, microfinance services &waste recycling to produce fertilizers.

Jan 2012-Oct 2012: Volunteered at a religious institution to guide Muslim children in various activities mainly how to properly conduct their prayers at the local Mosque.
