OFF .Grid Electric

DAR ES SALAAM,TANZANIA

Dear Sir/Madam,

RE: APPLICATION OF DATA SCIENTIST

I am writing to express my interest to work at Off grid. My knowledge and skills obtained from my Computer engineering degree together with work experience gained working on technical support related field i believe am in the position to provide value in your company and to work in any given condition to meet the necessary SLA.

My strength is working with software and systems from development to maintenance where i gained this through engaging myself with various projects over the years.I also have the ability to learn quickly and execute tasks given to me to meet the necessary targets.

I've attached a copy of my resume with details of my experience, and would be happy to pass along a list of past projects, if desired. I can be reached anytime via my cell phone 0679079774 or via email at epmnzava@gmail.com. Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity

I am available for interview at any time and look forward to hearing from you.

Yours faithfully,

Emmanuel Paul Mnzava
